

Student Assistant (HiWi)

Position: Student Assistant (HiWi)

Start Date: 1 September 2025 or 1 October 2025

Working Hours: 20 hours per month

Location:

Fachgebiet Künstlich Intelligente Systeme der Medizin

Gebäude S3|06 Flachbau

Merckstraße 25

64283 Darmstadt

About the Position:

We are looking for a motivated and reliable student to support our research and development activities in the field of artificial intelligence, with a particular focus on sport and emotion.

Your Tasks:

- Work with state-of-the-art AI models and tools
- Support data collection, processing, model evaluation, and result analysis

Your Profile:

- Enrolled as a student at a university (Bachelor or Master level)
- Solid programming skills in Python
- Strong interest or experience in AI
- Familiarity with Generative AI techniques (e.g., GANs, VAEs, diffusion models) is a plus
- Independent, proactive, and communicative working style

What We Offer:

- Flexible working hours and the opportunity to work remotely
- Insight into cutting-edge AI research and applications
- A collaborative and supportive team environment
- Possibility to contribute to publications or practical AI projects

Kontakt:

- Please send your complete application documents (cover letter, CV, relevant certificates) to the following e-mail address: **zhao@kismed.tu-darmstadt.de**
